## Support ATK Development and Help Us Grow!

Dear ATK Users and Supporters,

ATK has been a valuable tool for many of you, helping to streamline workflows, solve problems, and improve productivity. However, maintaining and improving ATK requires significant resources, especially as we work to develop new features, fix bugs, and ensure the project remains sustainable for the long term.

To continue delivering the best experience for our users, we need your support. Your sponsorship will directly fund:

- **Development of new features** outlined in our Roadmap, ensuring ATK evolves to meet your needs.
- **Bug fixes and optimizations** to keep ATK stable, reliable, and efficient.
- **Support for our developers** , who work tirelessly to make ATK better every day.

## Why Sponsor ATK?

- If ATK has helped you in your work or personal projects, your contribution ensures it can continue to do so for others.
- Your support allows us to prioritize features and improvements that matter most to the community.
- Sponsoring ATK is an investment in a tool you already rely on, ensuring its growth and sustainability.

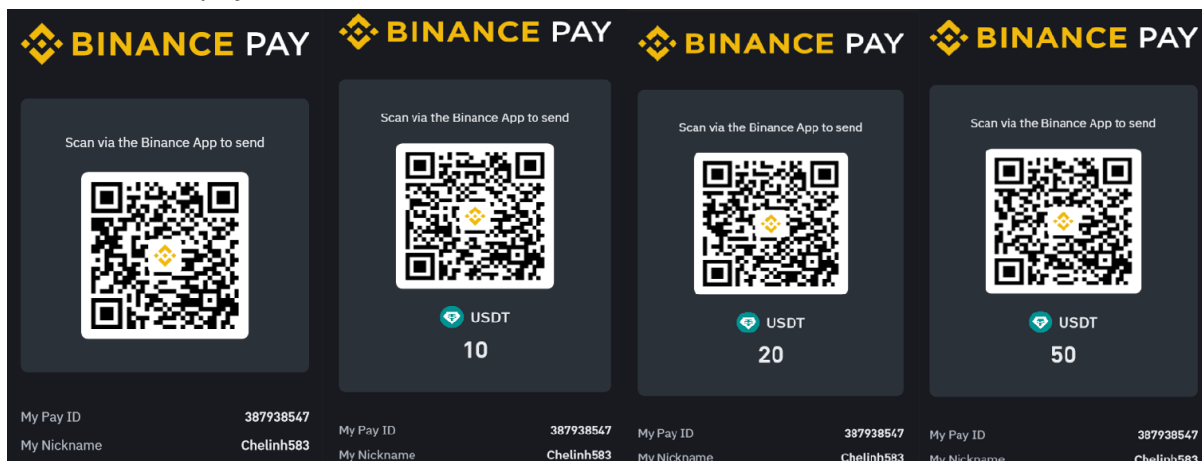

## How You Can Help:

- Click the link below to sponsor ATK via PayPal. Every contribution, no matter the size, makes a difference.
- You can sent to me a gift via my bank account (Vietnamese Bank), it is shown below
- Share this message with others who benefit from ATK. The more support we receive, the faster we can deliver new features and improvements.

**Thank You for Your Support!** Your generosity and belief in ATK mean the world to us. Together, we can make ATK even better and ensure it remains a powerful tool for everyone who depends on it.

With gratitude, mr.BigD - Creator/Developer of ATK
